4-H is the youth education program of Montana State University Extension. Club membership is recognized as an optimal 4-H experience but there are also other ways youth can be involved in 4-H such as school enrichment, special interest, afterschool, camps, conferences and individualized study.

4-H Club members are expected to...

- Complete a member enrollment card and enroll in at least one project
- Pay membership dues, if applicable.
- Attend and participate in meetings—club and project
- Set goals and measure progress towards those goals
- Keep records in each project in which they are enrolled
- Complete the projects in which they are enrolled and evaluate their 4-H experiences through their record books
- Participate in community service activities
- Participate in club and/or county fund-raising activities as necessary.

4-H Shooting Sports Leader Trainings

- Chouteau County Extension is hosting an archery training in Fort Benton on January 9th and 10th.

As of right now, we are in need of more instructors for rifle, pistol, archery, and shotgun. We would love to have you join us in teaching these disciplines.

Our Cascade County 4-H Shooting Sports Coordinator can be reached at cascadecoshootingsports@gmail.com if you have any questions on what being an instructor entails or any other question on the projects.

4-H Camp Junior Director Applications Will Open January 9th

Applications for Camp Junior Director (JD) positions will open on January 9 and close on February 9 for camp taking place June 6–10. Montana 4-H Leadership Academy

4-H members 12+

Join the Montana 4-H Leadership Academy workshop on Sunday afternoons in 2025-2026 4-H year.

The leadership academy is a network of Montana 4-H members interested in exploring and developing their own leadership skills while serving their county 4-H program in new ways.

Each month the officer team members will present a different workshop topic that they have found to be important as they have grown their own leadership abilities. This workshop should be paired with a local county leadership meeting to work on county projects that serve the local 4-H program and community.
