SUNDAY SCHEDULE FOR LIVESTOCK

The **4-H/FFA Livestock Areas** will be **closed to the public** on the **last Sunday (07/19)** of the 2026 Big Sky Country State Fair. Trucks, semis and trailers will be moving through the livestock areas throughout the day, so to ensure the **safety** and **wellbeing** of the general public, exhibitors, and animals, the areas will be closed off from the rest of the Fair.

For the mutual benefit of the Fairgrounds and 4-H/FFA exhibitors, Sunday will now become a processor load-out and barn clean-up day. 4-H/FFA market animals that are sold through the Market Livestock Sale are terminal projects intended for meat consumption. At the request of the meat processors, animals are to be transported to their final destinations beginning Sunday morning. All other 4-H/FFA animals will be released from Fair intermittently throughout Sunday at the discretion of each species.

Exhibitors are **still required** to be at the Fairgrounds for this day, as they are expected to care for their animals until release, help clean barns and assist species committees.

4-H/FFA families with reserved RV camping spots will be permitted to move **onto** the Fairgrounds beginning on Saturday, July 11th. All RVs must be in place **no later than** Monday, July 13th at 6pm. RVs will be allowed to **leave** the grounds at any time starting Sunday, July 19th with attention to livestock transport trailers and load-out schedules.

GENERAL RULES FOR 4-H & FFA

PRIOR TO FAIR:

1. Entries are open to all Gallatin County 4-H and FFA members in good standing.
 - a. **4-H Members must be enrolled in their Project(s) by the enrollment deadline of January 15th, 2026 to be eligible to exhibit at the Fair in those Project departments/divisions/classes.**
2. **Deadline for 4-H/FFA Fair entries is Wednesday, June 17th, 2026, 5:00 p.m. ABSOLUTELY NO ENTRIES ACCEPTED AFTER THE DEADLINE! **NO EXCEPTIONS!!****
3. Fair Entries are accepted online only. Information on how to register for Fair will be sent to all enrolled families in May of each year. **Refer to the appropriate species/project section for divisions/classes to enter.**

4. **All 4-H members must turn in their record book to the Extension Office by June 24th, 2026 at 5:00pm to be reviewed, scored and signed off on by project leaders or committees.** Record books are to accompany each 4-H member to their interview(s). See pg. 11-12 for Record Book & Interview information.
5. To exhibit at the Fair, **all 4-H exhibitors must interview** in each category they have a project in: Horse, Livestock/Small animal and/or Indoor projects. If an exhibitor does not interview, they will not be allowed to exhibit their projects at the fair. All exceptions must be preapproved by the 4-H office.

DURING FAIR:

MONTANA 4-H FAMILY CODE OF CONDUCT

The 4-H Center & Montana State University Extension wants your participation in 4-H programs, events and activities to be filled with exciting experiences, new friendships and fun. To ensure a positive experience for all participants, it is expected that all 4-Hers and their families be considerate of others, participate fully in the programming and observe the following expectations. If a situation or question arises which is not clearly covered by this list, ask an Extension Faculty/Staff member, volunteer leader, or chaperone before acting.

While attending 4-H activities and events at the club, county, state and national level, I will:

- Obey all rules established by the 4-H program, the local 4-H program and all local, state and federal laws.
- Conduct myself at all times in order to be a credit to the club, school and community.
- Dress neatly and appropriately for the occasion and in accordance with the activity dress code.
- Show respect for the rights and property of others; be courteous at all times.
- Be honest and not take unfair advantage of others.
- Refrain from disruptive behavior and swearing.
- Demonstrate sportsmanship, modesty in winning and generosity in defeat.
- Attend meetings and sessions promptly and respect the opinion of others in discussion.
- Be respectful of the authority of adult volunteers, youth leaders, 4-H staff and others in leadership roles.
- Not use, accept or carry alcohol, drugs or tobacco, or associate with others using the substances.

FAMILY CODE OF CONDUCT (continued)

General Behavior Expectations for Families

- Work cooperatively with youth, families, volunteers, Montana State Extension Service faculty and staff and others in a courteous, respectful manner demonstrating behaviors appropriate for a positive role model for youth.
- Provide a safe, drug and alcohol-free environment; do not harm youth or adults in any way, whether through sexual harassment, physical force, verbal or mental abuse, neglect or other harmful experiences including divisive and slanderous statements through email and social media.
- Accept the results and outcomes of all 4-H contests and events with grace and empathy for all participants.

Consequences

- I understand, if I violate the General Behavior Expectations in the Code of Conduct, I will be asked to leave the event including 4-H meetings, fair and other 4-H activities/events. If dismissed from an event, it will be at my own expense. Repeat violations may result in loss of privilege to attend future 4-H activities, events or the ability to serve as a 4-H Volunteer.

6. All exhibitors must **observe all Fair Rules and Montana 4-H Family Code of Conduct**. The member/parent may receive a warning for a 1st infraction, and severe infractions will disqualify both the member and project from further participation in that year's fair. Entries not following rules may be disqualified or as decided by the Market Livestock Committee, Horse Committee, or Indoor Committee and/or 4-H agent and FFA Advisors. FFA Advisors will enforce rules for FFA members.
7. **Grievances** must be **filed in writing** to the Extension office within **24 hours of the incident**. The Grievance Form can be found on the Gallatin 4-H website. A grievance committee of 4-H leaders and the county 4-H agent will review each grievance.
8. 4-H/FFA members and volunteers are expected to dress appropriately while representing 4-H and FFA. Dress guidelines include no exposure of underwear and midriff area, no spaghetti strap or see-through shirts, and shirts must have an appropriate neckline. Closed-toe and closed-heeled shoes are required to be worn around animals. See Exhibitor Dress Code (page 30) for specific guidelines for appropriate show and sale attire.
9. All 4-H and FFA exhibits/animals must remain on display until time stated in Fair Schedule (see pg. 5-7). This includes taking exhibits/animals home at night. Exceptions may be made in the Horse Projects - please read the Horse Project section of this Fairbook for details. Removal of exhibits prior to end of Fair will result in forfeiture of all premiums earned & stall deposits unless otherwise arranged.

LIABILITY STATEMENT

Big Sky Country State Fair and Gallatin County 4-H Management reserves the right to interpret all rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, arising out of and not covered by them. Any person who violates any of the rules as published in the Gallatin 4-H/FFA Fairbook will forfeit all privileges and premiums and may be subject to such penalty as ordered by Gallatin County 4-H management.

Submission of online entry as an Exhibitor of the Big Sky Country State Fair serves as agreement from exhibitor to comply with this statement:

In the event of General and Department Special Rules, the Department Special Rules will govern. Big Sky Country State Fair, Montana State Extension, Gallatin County Fairgrounds and Gallatin County, MT, their employees, agents, board members, or volunteers thereof will assume no liability for injury, damage, loss, death or theft, sustained by person, property or livestock of any exhibitor, exhibitor's family or employees, concessionaire or spectator. Every animal and article upon the grounds shall be under the control of Big Sky Country State Fair and Gallatin County 4-H management. Management will put forth every effort to ensure the safety of articles after their arrival, but in no case will it be responsible for loss, theft, damages, livestock injury or death which may occur while in transit or during the time of exhibition.

JUDGING, RIBBONS AND AWARD PREMIUMS

GENERAL JUDGING

Exhibitor Age is determined based on the youths' age **as of October 1, 2025**;

- **Cloverbud:** 4-H Age 5 to 7 years old
- **Junior:** 4-H Age 8 to 13 years old
- **Senior:** 4-H/FFA Age 14 to 18.

The **Danish System of Judging** will be used (see below for more details).

- Youth may exhibit the **current year's** work only. Any article shown previously at Fair is not permitted.
- **NO** write-in entries will be allowed. All entries must be received upon Fair Registration deadline to be eligible to be exhibited at the fair.
- No person, other than exhibitors will be allowed in the show ring during the time of judging except the superintendent, judge, class supervisor, clerk, and ring steward. If any exhibitor or family member attempts to interfere with the judge in any manner during the judging time, or publicly expresses disapproval of the decisions made by the judge, the exhibitor may be excluded from further competition (refer to Code of Conduct)
- Judges have been carefully selected by the management and each is recognized for his/her capability in making expert decisions in the respective division for which chosen. All exhibitors entering the Fair will accept the judge's decision and agree to abide by their decisions. The decisions of the judges will be final in all cases.

THE DANISH SYSTEM OF JUDGING

Judging is based on comparison to a standard, not on comparison to others in the class.

Judges may consider skill level based on age and circumstance and may expect a higher performance from older 4-Hers so there is some variance within the standard.

Every entry should receive a ribbon; some projects may have exceptions for certain divisions (i.e. *Premiums are **not** paid for market classes or animal educational posters - see Department Rules for specifics).

AWARDS - FLATS

Purple Ribbon: Excellent quality. Usually reserved for top two or three of the group, but not limited in number given.

Blue Ribbon: Superior quality. The standards have been met. Denotes adequate work.

Red Ribbon: Average to above average quality. Shows signs of quality but does not completely meet the standards. Some areas need further improvement.

White Ribbon: Below average quality. Does not meet standards. Denotes improvement needed.

Participation Ribbons (Cloverbuds): Are given when members exhibit for personal satisfaction, not to see how their exhibit compares to a standard. Cloverbud entries are non-competitive & receive only green participation ribbons.

AWARDS - ROSETTES

Grand Champion & Reserve Champion are given at the judges' discretion when the judge feels there are projects that deserve the title of Grand Champion and Reserve Grand Champion. The pink and purple rosettes are saved for the overall winner of the division/class.

RECORD BOOK AND INTERVIEW EVALUATIONS

REMINDER: All Gallatin County 4-H Members must participate in a project interview evaluation with their record book to complete a project and enter exhibits in fair.

All 4-H Members participating in fair are required to turn in all Animal and Indoor project records and project workbooks to the Extension Office by June 24th, 2026, by 5:00 pm.

Record books are required to be up to date and include:

- **My 4-H Year** (One per member)
- Project Records: **Animal or Non- Animal Project Financial Journal** (one per project)
- Project **Curriculum/Workbook** for each project (w/ 7 completed activities **each** year for most projects)
- Optional: Youth may include photographs and write a 4-H story for their record books

Record Book & Interview Scoring Procedure - Composite Scores

With both record-keeping skills and interview skills being equally important to develop in our youth, the two areas will be scored and totaled to determine Project award nominees.

- **Record Books:** Upon turn-in of your Record Books, Project & Club leaders will sign, review and score your records based on completeness, content and project standards utilizing a record book rubric. **This will be your Record Book score.**
- **Interviews:** During the Project Interviews prior to Fair, a judge will evaluate members on their interview skills (eye contact, confidence, attire, ability to answer questions), their 4-H Year experience and project knowledge utilizing an interview rubric. **This will be your Project Interview score.**
- **Composite Score:** The Record Book score (max points = 82) and the Project Interview score (max points = 48) will be totaled together for a **Composite Score** (max points = 130).
 - Members with a Composite Score of **110 or above** (85% or 'B grade level') will get nominated to be considered for a Project Award. Those nominated will be asked to re-turn in their completed Record Books in September for final review. Project Awards are presented at the end-of-year Awards Banquet.

Procedure for Livestock/Small Animal and Horse Interviews:

Livestock/Small Animal and Horse Project Interviews will be on the Thursday and Friday prior to fair week (**July 9th and July 10th, 2026 from 4pm-8pm each day**). ***NOTE:** Dog & Cat project interviews will be included on these dates as well.

- Members and Project/Club leaders must sign the record book(s) and project curriculum/workbooks prior to your fair interviews.
- Sign up for your interview time slot at <https://www.montana.edu/extension/gallatin/4hfair.html>
- If you are enrolled in livestock/small animal, dog, **and** horse projects, you will need to schedule **3 separate** interviews.
- Bring updated record book and project curriculum/workbooks to your interview.
 - Arrive a few minutes before your scheduled interview time.
 - Dress neat and clean.
 - Be prepared to talk about your 4-H projects, what you learned, and your overall 4-H experience.
 - Meet with the judge during your scheduled time.

RECORD BOOK AND INTERVIEW EVALUATIONS (CONT.)

Procedure for Indoor Project Interviews:

Indoor Project Interviews & Exhibit Judging will be conducted on **Sunday, July 12, 2026 (12pm-5pm) 5pm** in Exhibit Building #4 at the Gallatin County Fairgrounds.

- Members and Project/Club leaders must sign the record book(s) and project curriculum/workbooks prior to your fair interviews.
- Sign up for your interview time slot at <https://www.montana.edu/extension/gallatin/4hfair.html>
- All 4-H/FFA Indoor Project Exhibitors must **pick-up** their **Exhibit Entry Tags** **PRIOR** to their interviews/exhibit judging.
 - Tags will be available and must be picked up from the 4-H Office between July 7-July 11 (you'll already be picking up your scored record books from the office during this time).
 - Entry tags must be securely attached to the appropriate exhibit upon arrival to your Interview
- Bring your project exhibit, updated record book and project curriculum/workbooks to your interview.
- If you are entering projects in different divisions, you will need to complete an interview in each project division (**Example:** entries in Cooking, Photography and Leathercraft = 3 interviews)
 - Arrive a few minutes before your scheduled interview time.
 - Dress neat and clean.
 - Be prepared to talk about your project exhibit, 4-H record book, what you learned, and your overall 4-H experience.
 - Upon completion of your project interview, you will leave your exhibit to be displayed in the indoor building for the duration of the fair.

4-H/FFA INDOOR PROJECTS

RULES FOR INDOOR PROJECTS

1. Indoor Project exhibitors will follow all General Rules for 4-H and FFA as stated on pages 8-9 of the Exhibitor Fairbook.
2. Department & Division rules must be followed or the exhibit will not be displayed or points will be taken away.
3. All 4-H/FFA Indoor Project Exhibitors must **pick-up** their **Exhibit Entry Tags** **PRIOR** to their interviews/exhibit judging.
 - a. Tags will be available and must be picked up from the 4-H Office between July 6-July 10 (you'll already be picking up your scored record books from the office during this time).
 - b. Entry tags must be securely attached to the appropriate exhibit upon arrival to your Interview
4. All exhibits will be judged during Indoor Project Interviews on **Sunday, July 12, 2026 from 12pm-5pm** in Exhibit Building #4 at the Gallatin County Fairgrounds.
5. **Exhibit Pick-Up** will take place on Sunday, July 19th after 6pm or Monday **and/or** Monday, July 20th between 10am-12pm at Exhibit Building #3.
6. Indoor entries are not to be removed from the Gallatin Fairgrounds until the end of fair. If items are removed early, premiums may be forfeited.
7. ***Check Dispersal Policy:** Exhibitors will be notified via email when Premium Award and/or Indoor Silent Auction checks are available. **Checks will no longer be mailed** and all 4-H/FFA Exhibitors will be required to **pick up** their checks at the 4-H Office.

DIVISION 100A: YOUTH INDOOR EXHIBIT SILENT AUCTION

Indoor Project Silent Auction (Youth Exhibit and Project Baskets) bidding will **open** on Wednesday, July 15th at 11:00am and **close** on Sunday, July 19th at 6:00pm. The Silent Auction items will be displayed in the Indoor Exhibit Building during the week of Fair.

- Youth members may select **up to 5 items** to enter in the Indoor Silent Auction each year.
 - ***Cloverbuds (youth members ages 5-7) are not eligible for the Silent Auction.**
- **Item Eligibility:** Items submitted to the Silent Auction must have been entered in the Fair (by the 4-H/FFA fair registration deadline), judged on Indoor Project Interview Day, and received a ribbon and judging rubric.
 - ***New in 2026:** To be eligible for the Silent Auction, the item must have received a **Red Ribbon or higher**. White Ribbon exhibits **will not** be eligible to sell. Declaring an item for Silent Auction does not guarantee it will sell. Red Ribbon items will be subject to leader review/approval.
- Youth will declare their Silent Auction exhibits after indoor judging has concluded. Silent Auction items **must** be declared by **Tuesday, July 15th by 1:00pm** by moving the selected items to the "Silent Auction" table in the Indoor Building. Bids will be written on bidding sheets. The highest bidders will be contacted by the 4-H Office to pick up items and pay after the conclusion of Fair.
- Youth will receive payment from their items through the Leaders Council after all money is collected from buyers. Auction earnings will be dispersed with Award Premium checks (estimated mid-September).

DIVISION 100B: PROJECT SILENT AUCTION BASKETS

All Indoor and Animal 4-H Projects are invited and encouraged to create a **Silent Auction Basket** during Fair week. This is a great fundraising opportunity, as all proceeds from the basket will be deposited into the respective project's side account to support project supplies, materials, and activities for the following year.

- Baskets do not need to follow a specific theme, and they are not required to include youth-made items. Projects are welcome to be creative and include a variety of donated or purchased items.
- Indoor Project Leaders are to drop off their Silent Auction Basket to the Indoor Exhibit Building by **Tuesday, July 15th by 1:00pm** by moving the selected items to the "Silent Auction" table in the Indoor Building.
- Animal Project Leaders are to drop off their Silent Auction Basket to the Sale Clerk Tent by Friday, July 17th by 12pm to be displayed under the Buyer Appreciation BBQ Tent during the duration of the Market Sale.
- Once displayed, bids will be placed on bidding sheets, and baskets will be awarded to the highest bidder at the close of the respective auction(s). Projects will receive payment for their basket through the Leaders Council (Indoor) or Market Livestock Committee (Animal) after all money is collected from buyers.

4-H PROMOTIONAL BOOTH

Help Needed: 4-H Promotional Booth shifts!

- We need 4-H youth members and parents/leaders to help at the 4-H promotional booth in the 4-H Indoor Exhibit Building during the Fair. You will simply just need to be there and answer questions regarding how to get involved or to pass out the information we will have laid out on the booth table, as well as promotional items. Think of this as "Indoor Barn Duty" - show off what our 4-H members have created, the Club booths and how awesome our organization is!
- **2026 Promo Booth SignUp:**
<https://www.signupgenius.com/go/10C084DA9A92AABFE3-63106256-2026>

CLUB DISPLAYS & CONTEST

2026 Fair Theme: "Hands in the Dirt. Hearts in the Work"

We encourage all Clubs, Projects, FFA Chapters and individual exhibitors to set up a booth in the Indoor Exhibit Building and decorate it with our annual theme.

- Reserve a full booth space (8-foot table) or half a space (4-foot) by emailing the 4-H Extension Office (gallatin4h@montana.edu) **by Friday, July 10th 2026** to reserve your space.
- Indoor booths are a great way to promote your 4-H Club or FFA Chapter and to showcase the activities you do as a club, project group, or something you've done individually. You do not need to be present at the booth throughout Fair Week – this is intended to be promotional display booths for your Project/Club/Chapter.

The Gallatin 4-H Leaders Council awards Grand & Reserve Champion rosettes to each category as well as cash prizes for the top Project/Club displays (Grand Champion = \$150, Reserve Champion = \$75). Award money is paid to the Project/Club financial account after the conclusion of the Fair.

The 2 categories are:

1. Best use of Fair theme and 4-H/FFA spirit by Club or Project group
2. Best use of Fair theme and 4-H/FFA spirit by Individual Member

We look forward to seeing your creative ideas again this year!

DIVISION 132: LIVESTOCK JUDGING

CLASS 1 Educational Display

DEPARTMENT: PLANT SCIENCES

DIVISION 140: HORTICULTURE

Division Rules:

1. Exhibitor must use flowers/vegetables grown in own garden.
2. Exhibits will be judged for uniformity, maturity, various characteristics, free from disease, insects, and injury.
3. All vegetables & fruit must be exhibited on a white 9" paper/foam plate and placed into a plastic bag.
4. Vases/containers are to be provided by exhibitor, use creativity as the type of container enhances your display, however containers will not be considered in judging. Foam cups or tin cans will not be allowed.

When entering Vegetables, follow the below harvesting guidelines:

- **For all root vegetables:** cut the tops off, leaving approximately $\frac{3}{4}$ inch of top intact with the root. Wash roots gently to avoid injury to the skin. If storage is necessary, put them in a cool, moist place. Root crops include beets, carrots, radishes, rutabagas, turnips, parsnips, artichokes, horseradish, etc.
- **Head Lettuce:** trim lower leaves from heads and do not leave roots intact. Choose large, heavy, or solid heads. Remove the roots and underground portion of stem but leave crown of Swiss Chard, Endive, Leaf Lettuce, Kohlrabi, Parsley, Dill, Spinach, etc.; wash if needed and keep in a moist & cool place.
- **Onions:** approximately 1 week prior to Fair, pull and twist tops; remove outer layer of (dirty) skin. Spread them in an open shed so air will pass over them until fair time. Remove the tops and clip off roots; avoid damaging the node or basal plate. Choose well-formed bulbs; avoid "doubles", thick necks, etc.
- **Green Onions/Leeks:** Dig immediately prior to going to fair; avoid damage to node or basal plate. Remove outer layer of skin to get soil off and wash. Choose specimens that are well blanched or white.
- **Corn:** Husk leaving 2-3 layers for protection against drying. Cut off stem back to the outer layer of husk. Choose well-pollinated and well-developed ears with good tip cover/fill, in the "milk stage".
- **Cucumbers:** Harvest by cutting stems; leave approximately $\frac{1}{4}$ inch of stem; avoid injury to fruit. Wash if necessary; choose well-shaped specimens.
- **Kohlrabi:** Remove roots but leave the above ground portion of stem. Remove leaves; avoid injury to the skin. Tenderness is important.
- **Peas:** Choose ones that are sweet, moist, and tender; not bitter, dry, tough, or woody. Wash if necessary.

- **Potatoes:** Immediately after digging allow the skin to “set”. Avoid rough handling or cuts, skinning, or bruising, wash gently. Select medium to large sizes that are smooth and free of defects.
- **Rhubarb:** Remove all green portion of leaf; leave base of petiole (stem) intact and wash; stalks must be tender and juicy.
- **Summer Squash:** Leave stem; choose tender specimens. For the long type, they may be 5-8 inches long. For the round type and crooked necks, choose those that are very tender and succulent. Some types are ready for use as soon as the blossom has withered.
- **Tomatoes (red):** Remove stems; wash and avoid injury. Choose those free of cracking. Green Tomatoes: Leave stems; choose specimens that aren’t turning red.

DIVISION 173: PHOTOGRAPHY

1. All photographs should be printed on photo paper and mounted appropriately for the class they are entered into.
2. Do not caption photographs except for process descriptions in the Process portfolio, and an artist's statement in the Personal Project portfolio.
3. Clearly print on the back any special equipment or circumstances incurred while taking the photo.
4. There are no limits to entries per class, but images should be of best quality and printing.
5. Photos must be entered as either color or black and white print – but not both.
6. Pictures must be taken in this 4-H year to be eligible.
7. Do not print photos with dates on them.

8. Photos may only be used twice across portfolios, posters and individual submissions.
9. Senior and Junior Best in Show and Reserve Best in Show will be selected from all images and portfolios submitted, respectively.

PORTFOLIO REQUIREMENTS:

Portfolios should be presentation binders, either 11" x 8.5" or 12" x 9" in size. Process portfolios should be white; Personal Orientation of vertical or horizontal layouts are up to the discretion of the photographer but should be consistent across all pages.

Process Portfolio (white) should consist of 12 - 24 images that reflect a progression of skill development, technical experimentation, and exploration composition. Images in Process Portfolios may be 4"x6", 5"x7", or 8"x10", and may vary from spread to spread. Up to 3 images may be displayed per spread, along with a brief description of the process on display. The portfolio will be judged based on the curiosity and efforts to improve skill displayed through the images and descriptions. (Please note that the process portfolio reflects the activities and skills learned during the project year, and is used in place of the project workbooks)

Personal Project Portfolio (black) should consist of a collection of 8-12 images that reflect the photographer's best work and are tied together by a theme. One image per spread. The photographer may include a brief statement at the beginning of the portfolio about the theme. The portfolio will be judged on the collection of images as a whole. The photographer may also prepare and enter exceptional images from their Personal Project portfolio to be judged individually.

INDIVIDUAL PHOTO REQUIREMENTS:

Individual photo size should be 5"x7" or 8"X10" and matted or mounted on black backing board with a 1.5" -2" boarder. Individual photos may be either black and white OR color. On the back of each photo, list 4-Her's name, class, and photo title. This is for tracking purposes, not display.

PHOTO BOARD REQUIREMENTS: (refer to image below)

Posters should consist of 10 photos hand mounted to a white or black backing board of 22" X 28" in size, · displayed horizontally. Photos on the poster may be 4" X 6" or preferably 5" X 7". Photos must all be the same · size! Photos must be standard sized prints...NO HAND CROPPING! Mount photos neatly and securely to the · backing board, using double sided tape. DO NOT use photo corners, scrapbooking tape, rubber cement, white · glue, or glue stick – they will not endure heat and dust. Each photo should be neatly titled. Titles should be brief, NO CAPTIONS! Rather than numbering photos, place the photo title under each photo. Leave plenty of room to do so, as you format/layout your board.

Layout must be visually pleasing, easy to read, and progress logically. Poster entries may be color OR black and white. Choose 1...do not mix color and black and white! Students may enter color and black and white posters separately. As stated above, DO NOT use the same photos for both posters.

4-H/FFA LIVESTOCK & SMALL ANIMAL PROJECTS

RULES FOR 4-H/FFA ANIMAL PROJECTS

REQUIREMENTS:

Reference Fairbook General Rules (pgs. 8-12), Gallatin County 4-H/FFA Livestock Contract, and Species-specific contracts (if applicable).

LIVESTOCK CODE OF ETHICS:

Montana 4-H is based on principles of positive youth development. We believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity, as well as an interest in presenting a positive and progressive image at livestock shows. Because we believe that all livestock producers want to produce a wholesome, safe, and reliable source of food for the public, we have adopted the following “**Livestock Code of Ethics**”. Violations of this code are considered unethical in the raising, showing, and exhibiting of livestock for shows and fairs.

1. **Sportsmanship:** All exhibitors and their families are required to conduct themselves in a positive, honest, sportsmanlike manner during shows. Losing gracefully is just as important as winning humbly. The following practices are prohibited:
 - a. Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors, or the public.
 - b. Misrepresenting the age of an animal for the class in which it's shown.
 - c. Criticizing or interfering with the judge, other exhibitors or show officials while at the show or fair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the show.
2. **Treatment of Animals:** All animals are to be treated in a humane manner with adequate feed, water, and shelter provided. Physically abusing an animal is unacceptable and will not be tolerated. Exhibitors or anyone associated with an exhibitor who abuses their animal(s), for whatever reason, will be disqualified from the show. Striking an animal to cause swelling or a mark is absolutely prohibited.
3. **Administration of Drugs:** of any kind or description, internally or externally, except for treating a recognized disease or injury is **prohibited**. For this code, “drug” shall mean any substance commonly used by the medical or veterinary professions that affect the circulatory, respiratory, or central nervous systems of an animal. Only those drugs approved and labeled for use on animals can be administered and proper dosages and withdrawal times must be observed. Exhibitors own and manage livestock and are ultimately responsible to see that they follow appropriate and approved practices.
4. **In addition, the following practices are prohibited and unethical:**
 - a. The use of any diuretic on any animal.
 - b. The use of alcoholic beverages in the feed or administered as a drench.
 - c. Treating or massaging any part of the body, internally or externally, with an irritant, counter-irritant or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
 - d. Minimizing the effects of cramps by feeding or injecting drugs, depressants, or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
 - e. Administration of human tranquilizers to calm down animals.
 - f. Surgery of any kind performed to change the natural contour or appearance of the animal's body, teeth, hide or hair. Not included is the removal of teats or horns, clipping or dressing of hair, trimming of hooves.
 - g. Insertion of any foreign material under the skin.
 - h. Any attempt to change the natural color of any animal, either purebred or crossbred, by changing the color of or adding false hair, fleece, or skin at any point, spot, or area of the animal's body.

VIOLATIONS of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, change in sale order, expulsion or probation of the exhibitor or organized group(s) the exhibitor represents and the exhibit or livestock involved in the violation. Decisions of the Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors will be final. Such action will require application for readmission under such terms as the Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors

may prescribe before the group or individual is allowed to exhibit at future shows. The Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above Code of Ethics.

OWNERSHIP:

1. Exhibitors must use ONLY their Project Animal(s). Project animals are defined as animals tagged, tattooed, weighed, or declared before the species deadlines.
2. All registered stockowners must show original breed certificates in own name or transfer papers including ownership. Livestock must be owned or available under contract as outlined in the table Proof of ownership, contract or share agreement will be required. Ownership rules do not apply to breeding stock that is an offspring of a female project animal owned by the exhibitor.

EAR TAGS: Barn Superintendents may identify all livestock, upon arrival at the Fairgrounds, with ear tags or tattoos. Market Beef, Sheep, Goats and Swine animals will be tagged at a date set by the respective committees **PRIOR TO FAIR**

	Beef	Sheep	Swine	Goat	Poultry	Rabbit
Tagging/Weigh in Date	January 11, 2026	May 3, 2026	April 14, 2026	May 3, 2026	Ordered by February 1, 2026	2 Weeks Prior to Show
Minimum days of owning and caring for animal.	177	71	90	71	Chickens: 42 Turkeys: 112 Ducks: 49	Birth
Numbers of animals that can be tagged.	5	4	5	5	15	2 Pens of 3

CARE & DISPLAY OF ANIMALS:

1. All animals, except dogs and cats, must have a completed health form and a general health inspection on the day of delivery to the Fair. **NO ANIMAL WILL BE ALLOWED TO UNLOAD AT THE FAIRGROUNDS WITHOUT THE INSPECTION!** The general vet inspection may be obtained for free at each species-specific barn during check-in times (see schedule). All animals showing infectious ailments will be sent home. All poultry must be pullorum free. All female beef and dairy cattle over 1 year of age must have a brucellosis certificate with health inspection. See Horse Department section for veterinarian inspection and vaccination protocol.
2. **EXHIBITORS MUST FURNISH THEIR OWN FEED AND BEDDING** - The Fairgrounds provide the first bedding of wood shavings. Additional days will be provided by exhibitors.
3. **ALL ANIMALS MUST BE FED, WATERED AND STALLS PICKED UP REGULARLY THROUGHOUT THE DAY, EVERY DAY.** Exhibitors must clean stalls their animals occupied.

TYING ANIMALS: For security reasons, all beef and dairy animals (except cow/calf pairs and dairy goats that are in pens) **must** be tied with a neck strap, or rope, in addition to halter rope. Pens will be available for cow/calf pairs upon request on your registration; they must be halter broken and be led from the truck to the pen.

DISPLAY OF OTHER AWARDS: Exhibitors may not display awards won at previous shows until after the class in which they are showing has been judged.

HERDSMANSHIP:

Livestock Exhibitors will be responsible for the appearance, condition and cleanliness of the stalls and barns assigned to them. Neglect of animals will constitute being sent home and disqualified. Every 4-H or FFA member exhibiting livestock is automatically entered in the herdsmanship contest. A \$25.00 award will be presented to an individual in each barn area who displays the best herdsmanship. Rob Brownell provides these awards in memory of his father Bob Brownell.

Consideration for the Award:

1. Stalls and alley in front of your pen are kept clean and orderly during the entire Fair.
2. Feed and proper care of your animals throughout the Fair.

3. Courteous and polite to fellow 4-H & FFA members, adults, and Fair visitors in the barn and elsewhere on the Fairgrounds.
4. Neat and clean dress.
5. Equipment neatly stored.

EXHIBITOR DRESS CODES:

Showmanship Classes: White collared dress shirt, long sleeve. Shirt needs to be tucked in. Tie is highly recommended. Black or dark blue jeans for 4-H members. Official FFA dress for FFA members. Polished boots for large livestock showmen. Clean tennis shoes are acceptable in sheep, rabbit, and poultry divisions.

Market and Breeding Classes: Either official 4-H dress code (White shirt, dark pants) or collared western shirt with black or dark jeans and polished boots.

Market Sale: **UPDATED in 2026** Either official 4-H dress code (White, long sleeve, collared shirt and dark pants) or collared western shirt with black or dark jeans and polished boots.

FFA Dress code: Official Dress for Showmanship and Sale. White shirt, black pants for Market/Breeding Classes.

SHOWMANSHIP RULES:

1. **NO** outside groomers/fitters are permitted at Fair for any shows or the sale. Only 4-H & FFA members will be permitted to fit animals. Younger members are encouraged to get assistance from project leader or other Gallatin County 4-H/FFA members. Animals will be disqualified from the species' showmanship show if this rule is broken.
2. Only 4-H & FFA members are eligible to hold animals in the show ring.
3. 4-H or FFA members must be exhibiting their project animal enrolled in that project to participate in the showmanship contest.

SHOWMANSHIP FOR BREEDING ANIMALS: (applies to all species except dogs and cats)

1. Animals shown in breeding classes may not be shown in market classes or vice versa.
2. Animals entered in breeding classes will be judged on breed type and characteristics. Dairy Cattle and Dairy Goats will receive consideration for milk producing characteristics and development for age.

SHOWMANSHIP CONTEST AWARDS:

Each species will present awards for their Champion and Reserve Champion Showman in the Junior and Senior divisions. The Grand and Reserve Showman Junior and Senior from each species will participate in the Round Robin.

ROUND ROBIN MASTER SHOWMANSHIP COMPETITION:

The Round Robin Master Showmanship Competition is a high-level event designed to challenge the top youth exhibitors and determine the Champion Showmen. Participants must demonstrate strong showmanship skills, professionalism, and the ability to confidently handle and present multiple species.

Round Robin Qualification

1. The Junior and Senior Grand Champion and Reserve Champion Showman from each species (Market Beef, Meat Goat, Dairy Goat, Sheep, Dairy Cow, Swine, Rabbit, Poultry, Horse, and Dog) qualify for Round Robin. Novice Champions do not qualify for Round Robin.
 - o *Dog exhibitors: only the Grand Junior and Grand Senior from Obedience and Agility advance to Round Robin.*
2. These Grand and Reserve Champions represent the four contestants from each species. The 3rd, 4th, and 5th place showmen will serve as alternates if needed.
3. If an exhibitor wins in multiple species, they may choose which species to represent in Round Robin.
4. Contestants must agree to show all species included in the competition. If a participant declines, they must forfeit their Round Robin position and the next qualifying exhibitor will be selected.

Round Robin Competition Format

1. Large and small animal species will be combined into one Round Robin event.
2. Contestants will rotate through nine (9) species stations, but will not show or be scored on the species in which they are representing.

3. Species committees will determine the animals used. Animals may be replaced if they pose a safety concern, with approval from the species committee, 4-H Agent, or FFA advisor.
4. Each rotation will last approximately **8 minutes**.

Round Robin Competition Conduct

1. The Round Robin is intended to be a serious, high-standard competition to determine the Champion Master Showmen. Participants are expected to conduct themselves with professionalism and integrity throughout the event.
2. **No** phones, notes, or reference materials are allowed in the possession of competitors during the competition.
3. Each group of competitors will be assigned an escort/chaperone who will remain with the group and rotate through all species stations alongside the exhibitors. Chaperones are responsible for maintaining the integrity of the competition, ensuring rules are followed, and assisting with the flow and timing of rotations. Competitors are expected to remain with their assigned group and escort for the duration of the Round Robin competition.
4. Parents, family members, and spectators are not permitted to communicate with competitors during the duration of the rotations.
5. If a parent, family member, or spectator is observed speaking with a competitor during the competition, the coordinator will assume assistance, coaching, or answers are being provided. The exhibitor will be disqualified from the Round Robin competition.

Round Robin Attire

***Change in 2026:** All exhibitors, regardless of what species they are representing in Round Robin, will be expected to wear a white, long sleeve, collared shirt. Shirt needs to be tucked in. Black or dark blue jeans for 4-H members. Official FFA dress for FFA members. For safety, boots are required for all participants.

Round Robin Judging & Scoring

Exhibitors will be evaluated on:

1. Personal presentation (appearance, attitude, eye contact)
2. Animal control and handling
3. Presentation of the animal (set-up, posing, pattern work, awareness of judge)
4. Responses to 2–3 judge questions

Each section will be scored on a 1–5 scale (1 = very poor, 5 = excellent) for a maximum of 20 points per species station. No decimals will be used.

Tie Breaker: In the event of a tie, question scores will be totaled, and the exhibitor with the highest combined question score will break the tie.

MARKET SALE RULES: ****Market Sale Rules are listed in order of precedence.**

1. Animals **must** be exhibited in a Market Class to be eligible to sell.
2. **Exhibitors are limited to selling 2-animal units.** Please refer to species specific project rules as some projects restrict animal units for first year members.
 - 1 beef = 2 animal units
 - 1 sheep = 1 animal unit
 - 1 swine = 1 animal unit
 - 1 goat = 1 animal unit
 - Pen of 3 rabbits = 1 animal unit
 - Pen of 3 poultry = 1 animal unit
3. Champions and Reserve Champions must sell **unless** they exceed the 2-animal unit limit for exhibitors in the Market Sale. The Market Sale is intended to be a terminal sale. Animals selling through the Market Sale must be declared by 6PM on Wednesday of fair week.
4. Declared market animals are accepted with the understanding that they will be sold at the auction after they have been exhibited and judged, unless released by the 4-H/FFA Market Livestock Committee.

5. Exhibitors must show their own animal in Showmanship and at the Market Sale. Exceptions such as medical and family emergencies must be approved by majority vote of the 4-H/FFA Market Livestock Committee. Exception forms are available at the 4-H Office.
6. All market animals will be weighed at official Fair weigh-in time. This weight is the official weight.
7. All market animals will be weighed once. In the event of an equipment malfunction, all animals in that species will be re-weighed. Margin of error is at the discretion of the project committees.
8. Satisfactory Bill-of Sale must be provided for all market beef at the time animals are weighed. Provisions for releasing mortgaged stock must also be made prior to sale.
9. All animals sold are subject to slaughter inspections. If condemned, carcass will be disposed of at the discretion of the authorities and all money will be refunded to the purchaser. Refunds will be made at the discretion of the 4-H/FFA Market Sale Committee.
10. Exhibitor must take care of their animal(s) until the species check-out time of fair week.
11. Refer to Gallatin County 4-H/FFA Livestock Project Contract and species contracts for additional policies.

COMMISSIONS & WITHHOLDINGS:

1. A 5% commission is deducted from the sale price of each animal to pay sale expenses and operating fees. This commission covers but is not limited to the following: Livestock Judge, Buyers BBQ, Insurance coverage, Trucking fees of animals, Auctioneers, Online Sale Platform, Marketing and Advertising prior to sale, Thank you Tab publication after the fair, Equipment and Supplies for the sale, Tax fees, and Donation to Higher Education Scholarships for 4-H youth.
2. The 5% commission will also be deducted from all add-ons.
3. All Market Swine will be deducted a rate of \$0.40 per every \$100 of the sale price to cover the Pork Checkoff Fees. For example, if you sell a market hog for \$2,000, you would multiply that amount times 0.004 (2000 x 0.004 = \$8.00).
4. Sale bids are unrestricted – no one's selling price constitutes a ceiling. Proxy buyers must present a current proxy form with a buyer's signature and an upper bid limit when registering for the sale. Proxy buyers who exceed the agreed upon upper bid limit will be personally responsible for the difference in dollar amount.
5. A written thank you should be mailed directly to the buyer immediately following the sale. A list of buyers will be available through the Market Livestock Committee.
6. **Exhibitor Checks:** We estimate that youth exhibitors will receive their **checks by October 1st** of the current year. We will communicate if there are any additional delays beyond our control to the best of our abilities.
 - a. ***Check Dispersal Policy:** Exhibitors will be notified via email when Market Sale and Premium Award Checks are available. **Checks will no longer be mailed** and all 4-H/FFA Exhibitors will be required to **pick up** their checks at the 4-H Office.

2029 = Beef – Rabbits – Swine – Goats – Poultry – Sheep

DEPARTMENT: BEEF

BEEF COMMITTEE: Annabel Morgan, Melanie Duffin, Kelly Pavlik, Jeff Sposito

GENERAL RULES:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Livestock General Rules and information section pertaining to this specific project. Members must be at least 10 years old and currently enrolled in the Beef project through Gallatin County 4-H or FFA. ALL requirements must be met on the Beef Project Requirement Agreement that all members sign at the time of the initial January weigh-in.

Entry fees of \$15.00/head + \$15.00 for each animal entered in carcass contest are due with completed registration to the Gallatin County Extension office by entry deadline. There is a 3-stall maximum at the fair for all beef project members.

All 4-H beef members are required to complete a record book and an interview prior to fair for the beef project. Interview times will be scheduled online. All exhibitors will participate in an Educational Written Test. This written test will be given at the Fair at the mandatory meeting. Tests will be given according to Novice, Junior, and Senior class, and tests will be graded.

It is required to participate in Showmanship. If an exhibitor chooses to use a female for their showmanship entry, and safety cannot be maintained due to a mixed sex class, the female may be dismissed. However, the exhibitor will still be placed by the judge. Age divisions are as follows: Novice (first year), Junior (ages 10-13), Senior (ages 14 & up). Only the Grand and Reserve from the Junior and Senior Divisions will be eligible for the Round Robin.

All beef cattle must be shown on a beef cattle show halter, with a short lead for proper safety and control. Show halters must be used for ALL beef shows. Nose rings **are not** permitted for any beef project animals; in market, breeding or showmanship classes. Calves less than 6 months of age may be shown on a rope halter. The beef committee reserves the right to determine whether your halter is appropriate and meets the safety requirements. Rope halters must be used on all beef animals anytime they are not actively preparing to show or showing. Neck ropes must be used on all beef cattle in the barn and in the tie out area outside whenever the member is not actively working with the animal. Cattle must remain in the barn until the designated tie-out time of 6:00 p.m. unless otherwise stated by the Beef Committee. Animals must be tied in the barn and be fed and watered before 9:00 a.m.

RULES & REGULATIONS:

1. Brucellosis requirements for the Beef project: If you animal(s) live or graze in the DSA area, you must show proof of current blood tests for all 4-H events. Proof will be required at fair Vet check-in. Failure to show proof will disqualify all of your animals that are housed together. If your other animals are housed separately, you may be eligible to participate with animals that show proof of a negative test, with the approval and consent of a supervising vet. All sexually intact cattle must be tested for Brucellosis within 30 days prior to leaving the DSA, for the 4-H fair, any 4-H related events or changing ownership
2. All market and carcass beef must be owned and in possession of 4-H member by the mandatory January weigh in, no less than 180 days or the number of days outlined in the current year's market livestock contract. The exhibitor must be the primary caretaker of the animal. Market beef must be born after January 1 of prior year.
Exception: Grass Fed beef projects must be no older than 24 months by the date of Fair. Breeding animals must be owned and cared for by member at least 90 days prior to the Fair. Proof of ownership, contract or share agreement will be required. 90-Day rule does not apply to breeding stock that is an offspring of a female project animal owned by the exhibitor.
3. Eligible market entries must weigh at least 1050 lbs. to be eligible to sell through the market sale. Entries under 1050 lbs. will be shown in a feeder class. Market animals will go across the scale once during check in time. Any beef over 1450 lbs. will be sold as a beef weighing 1450 lbs. No weight slips will be accepted.
4. Each exhibitor may enter and exhibit up to three (3) total beef animals; with a maximum of two (2) market beef. Market Beef will compete in divided classes. Classes will be determined at the time of the show based upon

- weight and the number of entries. Weights will also be made available to the judge. Grand and Reserve Overall Champion will be selected from the top two (1st & 2nd) place winners from each of the weight classes.
5. Beef will not be allowed to show with tags other than an Eid or the official Gallatin Co. administered tag. If an animal loses its official Gallatin County tag, you must contact a beef leader to retag your animal. Animals must be retagged BEFORE fair check-in, NOT at check-in.
 6. Immediately following the Market show, and no later than 6:30 pm, exhibitors must let the Beef Committee know which animal they will be selling. This decision is final, and changes may not be made. Grand and Reserve Champion Market beef must sell unless they exceed the 2-animal limit for exhibitors in the Market Sale. In this case, the third overall will sell in the place of the Reserve Champion. This is so that the one animal unit rule stands from the Market Livestock Sale Rules.
 7. Steers or heifers are eligible to be exhibited in the Market Class. Steers must be castrated prior to January weigh-in. Exhibitors must prove that the market heifer is pregnancy-checked open by a veterinarian or certified technician within 30 days of Fair. Market heifers that are not spayed will be required to monitor and time heat cycles to promoted safety in a mixed sex project. Every effort will be made to prevent a female from cycling during the fair dates. This process will be approved by a supervising vet to observe withdrawal times and maintain meat quality assurance.
 8. The natural color of a market or breeding animal cannot be altered using any artificial coloring. However, products that match the animal's natural color may be used in the fitting process from the knees and hocks down and on the tailhead and the switch **only**. For example, black products may be used on a black-legged animal, red on a red-legged animal, and white on a white-legged animal. But under no circumstances can color be used to cover an animal's natural color or pattern, anywhere on the body. Refer to the national code of ethical fitting. Disqualification for breaking this rule will results in selling last in order of Beef in the Market Sale. After initial beef check-in, all animals must be fitted by enrolled 4-H youth members only. Parents may only intervene for safety reasons. Professional fitters are not allowed under any circumstance. Animals can be disqualified if this rule is proven to have been broken.
 9. A vet check is required upon arrival at the fairgrounds and before the animals can be unloaded and stalled in the barn. A vet will be available at the time of the weigh-in. All parents and kids will complete and sign the vet form agreeing they are disclosing all medical care or issues from the entire project term. (Example- a long lasting infection, even early in the project, could affect meat quality.) Once the animals check into fair, the member or parents are no longer allowed to treat for medical issues on their own. A vet and the beef leaders will use their discretion for all medical care. Not following this could result in termination of exhibitor.
 10. If a sedative must be used, the sedative must be prescribed and administered by a licensed veterinarian after the approval of the Beef Committee. Homeopathic substances must also be approved by the Beef Committee and supervising vet. Use of unapproved substances can result in disqualification.
 11. A proper bill of sale or brand inspection is required at check-in.
 12. Market Beef and Breeding animals must be without horns. For Breeding animals only, an exception may be made for horns of a Heritage breed (Please see requirements in Beef Breeding: Heritage Breed rules). Dehorned animals with scurs less than 2 inches may be allowed with written approval by the beef committee. In regard to scurs, Veterinarian exceptions will be considered.
 13. All animals must remain under control for the entirety of the week. If the animal is deemed as unsafe, the Beef Committee, the Livestock Committee, Extension Office, and Gallatin County Fairgrounds have the right to remove animal from the fairgrounds and the market sale.
 14. The Beef Committee has the right to amend any rule when needed.

DIVISION 200: BEEF MARKET

Exhibitor may enter up to two market beef, 1050 pounds and over. Class will be split according to weight and number of entries. An entry fee of \$15.00/head is due with completed registration. If you are bringing more than one market animal, please enter this division for each animal.

Heritage Breed Rules:

1. ******Horns may be allowed on a classified Heritage breed if horns follow the breed standard.
2. All Heritage breeds with horns (individuals or cow/calf pairs) will be displayed in a pen, not tied with other beef exhibits. All horned animals must remain in their assigned pens unless they are actively preparing to show or are showing. If the exhibitor needs to take a horned animal to the wash rack, prior arrangements must be made with a beef leader.
3. Horned animals will not be allowed in the Beef tie outs. All horned animals will be shown with the highest level of safety in mind. Any unruly behavior or safety concerns will result in immediate dismissal from the show. Horned animals may **NOT** be used for showmanship.
4. Veterinarian approval of safety must be submitted with ownership documentation at least 90 days prior to fair. It is the members' responsibility to adhere to any veterinarian safety requirements for horn modification, which will align with breed standards as well as veterinarian discretion.

- Exhibitor must own the animal prior to Fair, leased show animals are not eligible.

The Montana Red Angus Association will award a buckle to a Red Angus steer or female if the animal is Overall Grand Champion or Reserve Champion of the breeding class, market class or carcass competition. To win this award, the steer or female are to be the progeny of a registered Red Angus bull or out of a registered Red Angus cow and be at least 50% Red Angus. Please contact the association at the end of your fair if the county has qualifiers. The presentation of the award is made at the MTRAA annual happenings. Tena Ketchum, MTRAA President, 1721 Plevna Rd, Plevna, MT 59344, (406) 778-3819, ketchum@middrivers.com.

The Montana Simmental Association will give an award for the Grand Champion Market Steer, Grand Champion Carcass and Grand Champion Female for 4-H or FFA, if the animal is identified on their stall or barn card as being Simmental or Simmental cross. Contact Clay Lassle, 42 Road 245, Glendive, MT 59330, (406) 486-5584 with a list of winners, pictures of winners if possible, and jacket sizes so awards can be ordered.

Some of the Beef Awards are subject to change.

DEPARTMENT: DAIRY COW

PROJECT LEADERS: Shawna Oostema and Cassie Smieja

GENERAL RULES:

Each exhibitor and parent participating in this department is responsible for reading and complying with the Livestock General Rules and the additional information section pertaining to this project. Members must be currently enrolled in the dairy project by January 15, 2026, and all animals shown at the fair must have been in the exhibitor's possession by May 1, 2026, or the parent to the animal must be on 4-H records by May 1, 2026.

Entry fees of \$15/exhibitor are due with completed registration.

All 4-H members are required to complete a record book and an interview prior to the fair and all check-in and check-out times must be followed. Each exhibitor is responsible for checking in their own animals during the vet check/check in time at fair.

Exhibitors may check-in to the Fair any time between 8am-8pm on Tuesday, July 14th. All Dairy must be in place by Wednesday, July 15th by 10:00am. Alterations to the check-in and check-out times may be considered but such requests must be made well in advance to the project leader and are subject to approval. Each exhibitor will also be required to participate in the showmanship division at either the junior or senior level based on the exhibitor's age. Each exhibitor is also required to create a poster on a dairy-related topic to be displayed within the barn area.

Neck ropes must be used on all dairy animals which are stalled in the barn area. All animals must be fed/watered and milked out before 10:00am and stalls must always be presentable to the public. Exhibitors and legal guardians will also be required to sign up for barn duty throughout the week. An award will be given at the end of the fair week to the exhibitor(s) who best demonstrates good herdsmanship throughout the week.

DIVISION: 227 DHI MILK TESTING

DHI milk testing is a vital tool for any dairy program. You can learn a lot about your dairy goat's diet, breeding, genetics and much more. All members are encouraged to participate in milk testing so you can have a snapshot of how their animals are producing. Milk will be tested through the Washington DHIA.

CLASS 1 Milk testing

ELIGIBILITY REQUIREMENTS:

1. Does must be at least two weeks fresh
2. All breeds are welcome to compete and animals will be scored based on their breed standards. If they are a cross breed, they will be scored based on what those breeds should produce.
3. If animals are registered and their paperwork is in order with the registry, they may be eligible for milk stars. If you are hoping to achieve a milk star, please check your registry prior to fair and make sure you have all the required steps completed so the doe can be awarded the star.
4. **Milk testing fees will be \$4.00 per goat enrolled.** This will cover the costs of tests, paperwork and shipping fees.

TESTING PROTOCOL:

1. The doe will be milked out the night before (12 hours prior to the first test) and they must be verified as completely milked out. The time will be noted by a certified tester.
2. The day of the test, 12 hours after the initial milking, the goat will be milked out and the milk weighed. This will be monitored by the tester, timed, and weighed on a certified scale.
3. The second test must be done 12 hours after the first test. Again, this test will be monitored, timed, and weighed by the tester.
4. Milk samples will be taken from the milk after weighing and will be sent to Washington DHIA lab for testing.

DIVISION 228 EDUCATIONAL POSTER (Required of all Junior exhibitors except 1st year. Seniors can take a test or enter an educational poster.)

May include posters, educational displays, notebook essays, etc. Posters will be displayed in the livestock barn. Handmade educational posters are preferred to showcase creativity and youth effort.

CLASS 1 Educational Poster

DEPARTMENT: SHEEP

SHEEP COMMITTEE: Ruth Carr, Craig Carr, Kim Flikkema, Jodilynn Kelley, Jodi Smith, Robert Flikkema, Sarah Noonan, Jacob Noonan, Chase Dyksterhouse

GENERAL RULES:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Livestock General Rules and information section pertaining to this specific project.

Members must be currently enrolled in the Sheep Project. Exhibitors must have attended at least four (4) approved workshops by June 24th.

All Sheep members are required to complete a record book, seven (7) activities in the current years project book, and an interview for the sheep project. Interview times will be scheduled online.

Entry fees of \$15.00/animal are due with completed registration by 4-H Fair registration deadline.

All exhibitors, except first year Novice, must enter and exhibit an Educational Poster (displayed in the Sheep barn – due at 6 pm Monday at check in).

All sheep entering the fairgrounds must undergo a veterinary check at Fair check-in. Before being admitted to the fair, sheep must be sound, in good health, and free of communicable diseases.

Exhibitors must be checked out by a committee member prior to release. Members leaving equipment, stalls, or barn area dirty will be charged a cleaning fee of \$25 to be deducted from your market sale check after the sale of your animals.

Market lambs must be owned by the exhibitor, ear tagged by the Sheep Committee, have a breeder's Scrapie ear tag and be in the member's possession/care for a minimum of 71 days prior to Fair. Each Exhibitor can enter a maximum of 2 market lambs in the Gallatin County 4-H/FFA Fair.

All breeding project animals must be present at tagging (May 3rd, 2026) to confirm ownership. All breeding stock of any age must be identified with a Federal Scrapie Program identification number. This requirement also applies to all ewe lambs entered in market lamb classes. If the designated lamb does not have a Scrapie Tag, it will not be allowed to enter the fair.

All market lambs shall be slick shorn with no more than 1/8th inch of wool remaining on the body prior to fair weigh in.

Lambs must weigh at least 110 lbs. at check in. Lambs under 110 lbs. will not be allowed to sell but will be allowed to show in the feeder class. Lambs weighing over 160 pounds will be sold at 160 pounds. Lambs will be divided into weight classes. Enter each lamb separately.

If a 4-H member has 2 lambs in one weight class, they may find another Gallatin County 4-H/ FFA member to show for them. If a member cannot show their own lambs in the market class, other arrangements must be made with another Gallatin County 4-H/FFA member to show for them. The Sheep Committee must be notified in advance and will review and make all decisions on the request.

Halters, including chain, phantom, or rope, will not be allowed in the show ring. However, in the Novice class, exceptions may be granted with prior committee approval.

DIVISION 240: SHEEP MARKET

Entries can be either ewes or wethers. To sell their lambs in the market sale, exhibitors must participate in showmanship and lamb(s) must be shown in the market show. All market lambs shall be slick shorn prior to fair weigh in. If you are bringing additional animals, please enter this division for each animal.

CLASS 1 Sheep Market

DIVISION 241: SHEEP ULTRASOUND CARCASS EVALUATION

SWINE COMMITTEE: Merle Farrier, Lee Nuss, Eric Johnson, Cory Taylor, Sarah Bailey, Libbie Oram, Jenni Holzworth, Brittany Harwood, Alison Ulrich

GENERAL RULES:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Livestock General Rules and information section pertaining to this specific project.

ALL requirements must be met on the Swine Project Contract and the Gallatin County 4-H Livestock Contract that all members sign, including but not limited to Dress Code and Code of Conduct.

An entry fee of \$20.00/animal is due with completed registration by 4-H fair registration deadline. There will be a pen deposit of \$100.00 payable by check due at check-in. The check will be returned when the exhibitor completes check out with a swine committee member.

Members must be currently enrolled in the Swine project through Gallatin County 4-H or FFA.

All 4-H Swine members are required to complete a Record Book, seven new workbook activities per year and a project interview for the Swine project. Level 3 members can seek substitution to workbook activities with approval of the committee.

All 4-H and FFA Swine Members are required to participate in Showmanship. First year Swine Project members may show in the Novice Showmanship class regardless of age. Only the Grand and Reserve from the Junior and Senior Divisions will be eligible for the Round Robin. Members may only show their tagged pig for Showmanship unless they have approval from the Swine Committee.

All 4-H and FFA Swine Members are required to enter an Educational Poster. They will be displayed in the Livestock Barn. The posters must be on display no later than Wednesday at 8 a.m. Members may not participate in the Market Sale if they do not enter and appropriately display a poster.

Ultrasound Carcass Evaluations will be done for all entered animals (must be enrolled in Division 250 Market Swine). All animals evaluated will be eligible for the Carcass Contest Awards. The current Montana Symbol of Excellence Carcass Standards will be utilized. Award money will be paid to the top ten (10) places and results will be emailed when they become available after the fair.

All 4-H and FFA Swine Members that sell in the Market Livestock Sale are subject to the 5% commission as well as a deduction of \$0.40 per \$100 of their sales to cover Pork Checkoff Fees. Please reference RULES FOR 4-H & FFA ANIMAL PROJECTS/ MARKET SALE RULES (see pg. 31) for more information on these fees.

Exhibitors are allowed to exhibit two (2) Market Weight Animals; two may be shown in market class. First year Swine Project Members that have not been in a Market Livestock Project before will only be allowed to exhibit one (1) Market Weight Animal, one will be shown in the Market Class.

All swine entering the fairgrounds must be tagged with a Gallatin County issued tag and must undergo a veterinary check before the animals can be unloaded and stalled in the barn. A vet will be provided by the Swine Project at the time of the check-in.

Market Swine will compete in divided classes. Classes will be determined at the time of the show based upon weight and the number of entries.

DIVISION 250: MARKET SWINE

If you are bringing multiple animals in this division, please create an entry for each animal (exact tag numbers can be adjusted later). Swine must weigh 220 pounds to sell in the Market Sale. Any swine under 220 pounds will show in the feeder class and will not sell in the Market Sale. Swine weighing over 290 pounds will be sold at 290 pounds in the Market Sale. Grand Champion & Reserve Champion Market Swine must sell in the Gallatin County Market Livestock Sale unless they exceed the 2-animal unit limit for exhibitors in the Market Sale. Animals shown in market classes may not be shown in breeding classes or vice versa.

DEPARTMENT: POULTRY

POULTRY COMMITTEE: Shawna Oostema, Judy Brownell, Judy Neiminen, Kamy Miller, Lorraine Sheroian, Rachel Colton, Youth Representatives: Madison Oostema, Moriah Colton and Douglas Fountaine.

GENERAL RULES:

Birds must be in possession by May 1, 2026, or on confirmed delivery (market birds) per documentation sent to poultry leaders committee.

Exhibitors must complete a poultry interview. The interview will be held during the main project interview time held prior to fair. Exhibitors are asked to dust their birds for lice 7 days prior to check-in at the Fair.

A veterinarian or licensed tech will check all birds at check-in. Exhibitors may be asked to take a bird home, due to infestation with lice, illness, stress, or poor condition. Disregard of animal health and the health of other 4-Her's animals is grounds for expulsion from the Fair. Pre-fair vet checks are allowed but leaders need to be aware of the intent to do a pre-fair vet check and obtain approval from the poultry committee prior to the early vet check.

All birds must be banded. Leg band numbers must be listed for each individual bird on the coop card displayed at fair.

Entry fee is \$20.00/member (up to 10 entries and a trio/pair is considered 1 entry) for regular poultry project members. Cloverbuds are limited to two animal entries. If any one individual is planning on taking more than 10 entries, please contact a project leader prior to submitting your entry to the 4-H office. The entry fee is used for judging costs and awards given out to members.

An additional deposit of \$20.00/member will be due at the time of check-in. This deposit will be held during fair and returned to the member during checkout on Sunday if all barn rules have been followed throughout the fair week. Additionally, the poultry committee reserves the right to not give the members earned prizes if barn rules are not followed.

Please contact a project leader or refer to your signed contract for further details or questions.

BARN RULES:

Animals are to be fed and watered at least twice daily, and cages are to be cleaned daily. Arrangements can be made with fellow 4-H'ers to share this responsibility. In addition to caring for their birds, exhibitors are responsible for keeping the rest of the barn clean. This includes sweeping, picking up after yourself and making sure no trash is laying about. Courtesy and good sportsmanship is the order of the day.

Exhibitors (not the parents) are responsible for ensuring that they and their poultry are properly checked-in and checked-out, banded, interviewed, shown, weighed, photographed & sold at the appropriate times.

Animals are to remain throughout the Fair, to be released as noted during fair, unless the Poultry Committee rules otherwise. The exhibitor is responsible for cleaning out cages and surrounding area before they check out on Sunday.

Additionally, each exhibitor must sign up (as designated by the Poultry Committee) for barn duty during the fair. Please refer to the 2025-2026 Poultry Project Contract for further details on project requirements and expectations.

GOVERNING RULES:

The governing rules for judging will follow the most current edition of the American Poultry Association (APA) Book of Standard and posted amendments from the association and the American Bantam Association (ABA) Book of Standard and posted amendments. The market and backyard classes will be judged on the stated standards, 4-H criteria and condition of the entries. Please designate breed/variety of animal on entry for all poultry entries.

Age Definitions/Trio and Pair Definitions:

The age of the animal is based on the date of check-in on July 13, 2026.

For Chickens:

Cock (C) - Male fowl one year or over

Old Hen (TOF) - Female one year or over
Young Hen (TYF) - Female less than one year.

DIVISION 260: MARKET POULTRY (Pen of 3 birds)

Auction birds will be sold by the pen and not the pound. A pen will consist of three birds of the same breed and preferably the same variety. An exhibitor may enter up to two saleable market pens. Market pens will be weighed during the check-in period of fair and those weights will be posted as the judged weight of the pens. Market pens will be judged on uniformity of weight, carcass quality and characteristics. Each pen will be entered based upon the age of the birds at the time of check-in. Members previously participating in a market project can sell two pens, but first year project members are limited to selling one pen.

There will be minimum combined pen weights (3 animals/pen) that each market pen must meet to show and sell for the market project. Chickens will need to weigh at least 12 lbs. Turkey pens will need to weigh at least 45 lbs. and ducks will need to weigh at least 15 lbs. Please contact a project leader with any questions.

GALLATIN TWISTERS DRILL TEAM

Gallatin Twister Drill Team members present colors at the horse show and perform drill patterns during the Horse Project Award Ceremony. Look for us around the fairgrounds if you have any questions about 4-H and what we do. Good luck at the fair and have fun!

Who we are: A group of horse project members representing the diverse opportunities 4-H offers and promoting 4-H while at the same time presenting our horse project members with another fun and valuable learning opportunity.

Goals:

- Promote 4-H
- Provide more great learning opportunities for horse project members
- Provide horse project members with something specific to work toward
- Provide the more advanced riders with another horse opportunity and another reason to continue through the riding skill levels.

Riders must:

1. Complete an application
2. Attend an interview and try-outs
3. Earn a place on the team and continue to demonstrate throughout the season that they deserve to keep it.
4. Be able to work well with a group
5. Have a good attitude and be respectful
6. Have a history of finishing what they start
7. Love 4-H!
