Your support ensures that our program has the resources to be strong and successful into the future. Our members strive for excellence in their projects and seeing their hard work pay off is rewarding.

Together, we are growing the future of agriculture and leaders of our community. Thank you for everything you contribute to Gallatin County 4-H/FFA youth.

DO I CLOSE OUT THE NIGHT OF THE SALE?

Close out is **not** required the night of the sale, but your purchase can be confirmed as-needed at the Check Out Tables, inside the Sale Clerk Tent.

WHEN DO I PAY?

We prefer to invoice all buyers after the conclusion of the Fair. However, sale clerks will be prepared to accept Cash or Check payment for your purchase the night of the sale, as needed. **Credit Card payments** will be accepted after invoices have been issued.

All payments are due within 14 days of Receipt of invoice, NO EXCEPTIONS

OTHER WAYS TO SUPPORT

Add-On Donations

Support an exhibitor with an add-on donation of any amount, in addition to the final sale price. **Add-ons may be made before, during, or up to one week after the Sale.** All add-on donors will be registered as buyers.

Silent Auction Baskets

4-H and FFA Animal Projects are encouraged to create a Silent Auction Basket. **Bidding will be open from 3:00-9:00 p.m. on Sale Night in the Small Animal Tent.** Proceeds benefit the animal project's financial account and help fund supplies, materials, and activities for the coming year.

Gallatin 4-H Foundation Scholarship Fund

Make a one-time Scholarship Fund add-on donation to support higher education scholarships, new clubs and projects, and local 4-H program needs. **The Scholarship Fund will be offered as the first lot in the Market Sale,** but donations may be made before, during, or up to one week after the sale. Suggested giving levels are \$100, \$250, and \$500. Donors will be recognized the following year on the Market Sale supporter banners.

WHAT ARE MY OPTIONS WHEN PARTICIPATING?

Keep/Eat

Buyer will receive top-quality meat to enjoy. The buyer will be invoiced for the Final Bid Price. **The Final Bid price does NOT include processing.** Buyer is assigned a local processor and is responsible for order options and pickup after processing.

***If you intend to do a live pickup of the animal,** you need to make that clear to the sale staff. The live animals must be paid in full prior to pickup on July 18th.

Resale

The buyer supports the exhibitor by purchasing the animal, but does not take ownership of the animal or meat after the sale. Instead, the animal is sold at current market value, and the **buyer pays only the difference between the Final Bid Price and the Resale Price** listed in the Sale Catalog. Resale animals **do not** return to the sale ring and **are not resold** during the auction. **Resale is not available for rabbits or poultry.**

Example: Winning bid was \$10.00/lb, current resale market value was \$2.00/lb, the buyer is only responsible for paying the difference of \$8.00/lb.

Donate

Donate the meat from your purchase to a nonprofit organization. You may also donate the processing fees or arrange with the recipient to pay the processing fees. **Donation destinations include:** MT Veteran's Meat Locker (only option for Poultry), Gallatin Food Bank, Headwaters Food Bank and Fork & Spoon.

Proxy Bidding

This process is used if Buyer is unable to attend the sale or is leaving prior to the end of the sale. We provide bidders to proxy during the sale. We will also contact you with the results of the proxy.

CAN I SPLIT A PURCHASE WITH ANOTHER BUYER?

Yes, we ask that you indicate this Joint Venture to the Sale Staff at Registration so both buyers receive recognition. Split % and invoicing can be determined at checkout.
