

QUICKEN FOR THE FARM, RANCH, HOME, OR SMALL BUSINESS

Topics Covered

- Introduction to Quicken, is it right for me?
- Categorizing income and expenses correctly
- Managing multiple asset and loan accounts
- Creating reports for budgeting
- Utilizing Quicken for business decisions
- Utilizing Quicken to track spending

June 18, 20, 25, and 27

**Glacier County Extension Annex
1210 E. Main Street, Cut Bank
2 - 4 p.m.**

INSTRUCTORS:

Kari Lewis, MSU Extension - Glacier County and Lacy Roberts - FSA Farm Loan Manager will teach and meet one on one with individuals as needed to meet their needs. Please save these dates/times and we'll see what the needs are and address with either classes or individual appointments.

Quicken is a personal finance software (subscription based) that can be used for the home and/or small business/farm/ranch. It allows for splitting receipts across multiple income and expense categories, using a budget, creating year-end reports, etc.
