7. **ANIMAL QUALITY ASSURANCE TRAINING REQUIREMENT:** All 4-H and FFA members exhibiting in Department A (Junior Livestock) at MontanaFair, are required to attend an MSU Extension **ANIMAL QUALITY ASSURANCE TRAINING (AQA)** (per state guidelines) provided by the 4-H AQA Committee prior to the first MontanaFair entry deadline or exhibitors cannot show. Yellowstone County will follow state guidelines whereas there will be two age brackets for AQA training. Exhibitors must attend AQA the first year they will exhibit an animal (Beginner 8-10 or Junior 11-13) and again when they reach the Senior age bracket (14-19) when exhibiting an animal. This age is based on the "Exhibitors 4-H Age" - the age as of October 1 of the current 4-H year. Class content is determined by a committee and updated every two years. A parent or legal guardian must also attend AQA. **NO EXCEPTIONS.**
MSU EXTENSION 4-H HORSE HELMET POLICY REQUIREMENT: Participants in any 4-H Horse Project are required to attend an MSU Extension Horse Helmet Workshop once as a beginner/junior 4-H member (4-H age 8-13) and again, as a senior 4-H member (4-H age 14 -19). This age is based on the "Exhibitors 4-H Age" - the age as of October 1 of the current 4-H year. Exhibitors must attend a Horse Helmet Workshop the first year they reach each age bracket or the first year they are exhibiting in an animal project. A parent or legal guardian must also attend the Horse Helmet Workshop. **NO EXCEPTIONS.**
8. **PROHIBITED SUBSTANCE, DRUG TESTING, SABOTAGE, TAMPERING, AND INHUMANE TREATMENT:** MontanaFair reserves the right to question the alteration of any animal's physical or physiological structure. As a condition of participation in the MontanaFair, exhibitor agrees to submit to MontanaFair, (at their discretion) any animal so entered for immediate testing. All Grand and Reserve Champion market beef, sheep, swine, and goats may be tested. Tests may include, but not be limited to blood, tissue and urine. Exhibitor further agrees that the conclusions reached by MontanaFair shall be final, without recourse against the MontanaFair. An exhibitor of any animal(s) producing an analysis with a prohibited substance, sabotage, tampering, unethical fitting or inhumane practices will be barred from future competition at MontanaFair.
9. **STALL FEE NOT REQUIRED for any 4-H/FFA show.**
10. **PEN CLEANING & FEED:** Animals must be fed and watered by **9:30** am each day. Please water your cattle in the Wash Rack area. The exhibitor must clean pens by 9:30 am. Continue checking water containers throughout the day. Do not leave water buckets unattended in the beef area or tied to stall area with the cattle. The Livestock Committee, Division Chairman, Superintendent and/or Extension Agent will determine the consequences (including the possibility of losing MontanaFair premiums or removal of animal) if this rule is not followed. Exhibitors are NOT required to clean pens after the sale.
11. **BEDDING** for the inside of the Expo will be furnished by MontanaFair. However, straw for the outside tie out area will not be provided.
12. **PREMIUM CHECKS** will be mailed to exhibitors after the MontanaFair. Do not plan to receive them for at least 45 days after the MontanaFair. Checks from the sale of market animals will be mailed 45-60 days after the MontanaFair. Refer to the Junior Livestock Sale section for sale check information. **The Yellowstone County Extension Office must be notified that a thank you note has been mailed to your buyer before your sale check can be mailed.**
13. 4-H AND FFA MEMBERS exhibiting in the Open Class must abide by Open Class Regulations. No open class animals will be allowed to enter or exhibit in Department A unless the exhibitor is a 4-H or FFA member and the animals have been duly entered in the Junior Livestock Show.
14. Exhibitors bringing cattle, horses, and sheep across a county line must obtain a brand inspection certificate or travel permit before leaving home and turn them in at Check In with the animal or be subject to a heavy fine according to Montana Law.
15. It is the responsibility of the Exhibitor to comply with all health, brand and import rules and regulations as stated upon the Montana Department of Livestock website liv.mt.gov/ upon entry and arrival at the MontanaFair grounds. Regulations and requirements can change daily; please make sure you know the proper requirements. Direct inquiries to Montana Department of Livestock, Animal Health Division, PO Box 202001, Helena, MT 59620. Phone 406-444-7323.

16. **ALL EXHIBITORS MUST SHOW** their own livestock unless they have more than one animal entered in the class. Another 4-H or FFA exhibitor entered in MontanaFair must show the extra animals.
17. **EXHIBITOR NUMBERS** must be visible on the exhibitor's back every time they enter the ring. If an exhibitor has two animals in the same class, the person showing the second animal must wear a coordinating back number with letter (i.e., 111A or 111B).
18. **CLASS JUDGING:** The judge will visually evaluate and place each class. Numerical and group systems of judging are used. Only 5 Blue ribbon animals are eligible for numerical placing. Premium winners will receive a premium ribbon only. No blue ribbons will be awarded to premium winners.
19. **MARKET ANIMAL ULTRASOUND RULES:** Ultrasound will be used on Market Animals exhibited at MontanaFair, instead of actual carcass measurements. By using the ultrasound method, we can evaluate a live animal in much the same way as we evaluate the animal after processing. We will be using the collected data to decide the top carcass in beef, sheep, and goat. This data will be used for the MSU Steer of Merit program, MSU Montana Certified Lamb program and Montana Market Goat program.
 - The ultrasound will be performed by Certified Ultrasound Technicians who must place ribbons accordingly per standards.
 - Carcass ultrasound must be entered on your MontanaFair entry to compete in the carcass contest. This class is not mandatory. On November 29, 1995, the Yellowstone County Livestock Committee voted to withhold the cost of the ultrasound service from exhibitor sale proceeds.
 - Breeding Beef, Breeding Sheep and Breeding Goats may be ultra-sounded at the exhibitor's expense. Payment is due at the time of the ultrasound.
 - **Ultrasounds will take place at the following times:**
 - Beef:** Monday, August 11, 2025 @ 8:00 am
 - Sheep:** Monday, August 11, 2025 @ 10:30 am
 - Goats:** to follow sheep and after goat shows are done
20. **THERE WILL BE A LIMIT OF FOUR SCRATCHES ON ENTRIES.** MORE THAN FOUR SCRATCHES PER EXHIBITOR MAY RESULT IN A FORFEITURE OF PREMIUM MONEY. ENTRIES WITH MORE THAN FOUR SCRATCHES MAY NOT COMPETE FOR AWARDS.
21. **GRIEVANCE POLICY:** All formal protests must be submitted based on the Yellowstone Co. 4-H Grievance Policy. This is available at the Yellowstone County Extension Office or at the 4-H Office in the Expo Center.
22. **REQUEST FOR RULE CONSIDERATION:** Exhibitors can request a rule consideration by completing the form available in the 4-H/FFA MontanaFair Office. This request will be reviewed by the appropriate MontanaFair officials. **A rule change consideration is NOT for animal changes or adding classes. Individual species deadlines are strictly enforced.** All exhibitors and parents are highly encouraged to review their MontanaFair entry for accuracy before submitting them online.
 All livestock issues that arise (after the first MontanaFair entry deadline through MontanaFair) must be voted on in a timely manner by the committee, which will include Junior Chairman, as per 4-H Council policy.
 Votes will be by secret ballot. Division Chairmen will meet daily at 12:00pm. The County Agent cannot vote but only act as a liaison. Decisions will be made by majority vote of those in attendance.
 Superintendent(s) and Division Chairmen are an important part of the county 4-H programs. Policy permits Superintendent(s) and/or Division Chairmen to request from the county agent a special rule or guideline for their department to make it run smoothly and/or efficiently.
23. All 4-H/FFA Exhibitors showing in 4-H/FFA Livestock events must show, care for, fit and clean their own animals and stalls with minimal adult assistance. Minimal adult assistance for a learning purpose or safety issue is acceptable. Excessive involvement by adults could lead to consequences for the exhibitor to be determined by the Livestock Committee, Division Chairman, Livestock Superintendent(s), and/or Extension Agent. Exhibitors may receive help with cleaning/fitting animals from other current members under the age of 19 as of October 1st (they do not need to be exhibiting at MontanaFair). The member that is showing the animal and is receiving help must be present, helping and learning unless they are in the ring showing another animal. All other help would be considered the same as "adult involvement".
24. First and second place class winners must remain at the show, dressed and ready to go back in the ring until the show is finished. Consequences for leaving may include forfeiting premium money and/or other consequences to be determined by the Livestock Committee, Division Chairman, Superintendent(s) and/or Extension Agent.
25. In order to vote on yearly rule and policy changes, adult livestock leaders and junior exhibitors must have attended the discussion of the proposals at the post MontanaFair and/or the September Livestock Meeting. Junior leaders must be 14 years or older by October 1 of the current 4-H year and be enrolled in a livestock project. Exhibitors (ages 8-19 years) must be enrolled in the livestock program. *Horse members, horse leaders and Organizational Leaders enrolled in the prior and current 4-H year can vote at the Horse & Colt Committee meetings. Any rule or policy change must be submitted to the Extension Office on the rule/policy proposal form. Horse related changes will be voted on at the October Horse & Colt Committee meeting.
 *Leaders and Junior Exhibitors in the Horse Project should vote on their related changes. Leaders and Junior Exhibitors in the Small Animal Livestock Committee should vote on their related changes. Leaders and Junior Exhibitors in the Large Animal Livestock Committee should vote on their related changes.
26. Exhibitors and families must park in designated 4-H parking areas. Any overnight camping requires an advance registration and a signed MetraPark Agreement in place prior to MontanaFair. Contact the Yellowstone County Extension office about camper spaces at 406-256-2828. Only families that have a member exhibiting at MontanaFair may camp.
27. Only animals entered in MontanaFair are allowed to be on the MontanaFair grounds. If the animal is tagged for MontanaFair, the tag is to remain in the animal, even after the sale. The exhibitor no longer owns the animal and removing the tag may have consequences.
28. All Market Beef, Swine, Lambs, and Goats must have ear tags for MontanaFair issued at tagging day, upon arrival at MontanaFair. Out of County 4-H or FFA exhibitors will pay \$35 per market animal tagged on tagging day.

29. Exhibitors helping at Weigh in on Saturday, Sunday or Wednesday morning can bring their animals in before the normal arrival time with prior approval by the Division Chairman.
30. **Exhibitors cannot exhibit market animals tagged for MontanaFair at any other County Fair (including females in breeding classes) with the exception of the Montana State Fair held in Great Falls. They can show them in open Jackpot shows.** If an exhibitor shows a "market" animal tagged for and shown at their county fair and decides not to sell it, they may bring that female to show in a breeding class only at MontanaFair, they may not sell that animal.
31. If a Yellowstone County exhibitor has multiple market animals and/or species in the top 5 overall, they will be allowed to sell any and/or all of them that are in the top 5. Grand and Reserve Grand must sell. Clarification: If a Yellowstone County exhibitor has 2 animals of ANY species in the top 5, they are allowed to sell both of those animals. However, only the Grand and Reserve Grand are required to sell. The 3rd – 5th animals MAY sell but are not required to. This Does Not include Out of County exhibitors. Out of county exhibitors must place in the top 5 in their respective market class to sell. *ALL* Grand and Reserve market animals *MUST* sell.
32. All Division Chairman, Superintendents, and the Extension Agent have the right to remove an animal from a class, or the MontanaFair, if it is a safety issue. This includes the Round Robin Contest.
33. Judges for MontanaFair will be recommended by a committee of leaders, advisors, and exhibitors at the September meeting. This same committee will rank the names given and then present this list to the Extension Agent. The Extension Agent will contact the judges following the order given. The Extension Agent and the MetraPark official will be the only contact from MontanaFair with the judges while the contract is made.
34. Junior Chairmen will be allowed to vote during the 12:00 noon daily Chairman meetings.
35. All animals need to be fitted in their own species area.
36. No caps, cowboy hats, or other head covers (unless for religious reasons) will be worn during showmanship, market classes, breeding classes, obstacle courses, round robin competitions, sale pictures, or market sale. This rule applies to all exhibitors showing cattle, swine, goats, sheep, llamas, alpacas, rabbits, poultry, covies, dogs, cats, and pocket pets. This rule does not apply to horse exhibitors. Horse exhibitors see Horse Supplement.
37. Exhibitors may bring an in-barn/Expo educational display up to and including the day that animals are checked into the Expo. No premiums will be given but points may be awarded in the Herdsmanship and All-Around contests. Each species has its own Herdsmanship Contest.
38. Animal Ownership Deadlines: Animals to be shown at MontanaFair must be in the possession of the exhibitor by:

Market Beef: January 5, 2025	Llama & Alpaca: May 3, 2025
Breeding Beef and Dairy Cattle: May 3, 2025	Pocket Pets: May 3, 2025
All Sheep: May 3, 2025	Rabbits: May 3, 2025 – (See Market section for dates)
All Goats: May 3, 2025	Poultry: May 3, 2025 – (See Market section for dates)
Swine: May 3, 2025	Cavy: May 3, 2025
39. Any animal affected with fungus (ringworm), pink eye, ovine ecthyma (sore mouth), other skin conditions, unsightly blemishes, any communicable disease, or for lesions of epididymitis will be refused entry and removed from the grounds at the discretion of the official MontanaFair vet. The decision of the official show veterinarian is final. Lambs showing signs of continued rectal prolapse will be removed from the Show/MontanaFair immediately.
40. All members must acknowledge adherence to the **LIVESTOCK CODE OF ETHICS & DRUG WITHDRAWAL** during online registration. These policies will be enforced. All animals are to be treated in a humane manner. Adequate feed, water and shelter are always to be provided. Physically abusing an animal is unacceptable at any time and will not be tolerated. Exhibitors who abuse their animals, for whatever reason, will be disqualified from the show. Striking an animal to cause swelling is absolutely prohibited.
41. Violation of any rule or regulation may result in forfeiture of all premiums and awards, disqualification, expulsion, or probation of the exhibitor (or organized groups the exhibitor represents), and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action will be final.

LIVESTOCK CODE OF ETHICS

Montana 4-H is based on principles of positive youth development. 4-H & FFA believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as presenting a positive and progressive image at livestock shows. Because 4-H/FFA believe that all livestock producers want to produce a wholesome, safe, and reliable source of food for the public, the following "4-H Livestock Code of Ethics" has been adopted. Including but not limited to Yellowstone County 4-H Policies (see Yellowstone County 4-H Website), Montana State 4-H Policies (See Montana 4-H Website) and International Association of Fairs and Expositions (See MontanaFair Website and/or Code of Ethics seen below). Violations of this code are considered unethical in the raising, showing and exhibiting of livestock for 4-H/FFA shows and MontanaFair.

Sportsmanship

All exhibitors and their families are encouraged to conduct themselves in a positive, honest, sportsmanlike manner during the shows and at MontanaFair. Losing gracefully is just as important as winning humbly. The following practices are prohibited.

- Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors or spectators is prohibited.
- Misrepresenting the age of the animal for class in which it is shown.
- Criticizing or interfering with the judge, other exhibitors or show officials while at the show or at MontanaFair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the show and at MontanaFair.

Procedure for Reporting Unsportsmanlike Conduct at MontanaFair

Please use common sense in all situations. Know the whole story and do not make assumptions about what is going on in the incidents you are

observing. The committee reviewing the incidents will consist of the 4-H Extension Agent, Department A Superintendent(s) and the Division Chairmen. Infractions carry over from year to year - they are cumulative.

The person reporting unsportsmanlike conduct needs to write up information about the incident including the incident as reported, time, date, species, witnesses, etc. and must then sign the form. This document will be filed in the 4-H MontanaFair Office. The incident will be investigated. The people involved member(s), adult(s), leader(s), witnesses, Division Chairmen, Superintendent(s) and Extension Agent) will discuss the incident.

At the time of the incident, the 4-H/FFA member or adult needs to:

- A. Contact the Division Chairperson and discuss the incident they observed. The Division Chairperson will then visit with Roni Baker, Extension Agent and/or the Dept. A Superintendent(s), about the incident. OR
- B. Contact Roni Baker, Extension Agent, and discuss the incident they observed. This can be done through the 4-H MontanaFair Office in the Expo Center. Roni Baker will then visit with the Division Chairman in that species and/or Department A Superintendent(s). OR

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

CODE OF SHOW RING ETHICS *(Also part of the MontanaFair handbook)*

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon requests by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
11. The act of entering of animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Administration of Drugs. Livestock requiring any medication should be identified upon arrival to the 4-H MontanaFair Office. Exhibitors should be prepared to present a valid prescription and/or a written explanation, either or both to be signed by the animal's licensed veterinarian. In addition, the following practices are prohibited and unethical:

- The use of any diuretic on any animal.
- Labels should specifically identify the animals cleared for the use of such substances and the proper dosage.
- The use of alcoholic beverages in feed or administered as a drench.
- Surgery of any kind performed to change the natural contour or appearance of the animal's body, teeth, hide or hair. Not included is the removal of teats or horns, clipping or dressing of hair, trimming of hooves, spaying heifers, castrating male animals, or docking tails.
- Insertion of any foreign material under the skin.

- The natural color of an animal cannot be altered using any artificial coloring. However, products that match the animal's natural color may be used in the fitting process from the knees and hocks down and on the switch only. For example, black products may be used on a black-legged animal, red on a red-legged animal, and white on a white-legged animal. But under no circumstances can color be used to cover a steer or lamb's natural leg color.

Livestock requiring any medication should be identified upon arrival to the 4-H MontanaFair Office. Exhibitors should be prepared to present a valid prescription and/or a written explanation, either or both to be signed by the animal's licensed veterinarian. Any required medication or treatment after arrival at the show used to protect the health and welfare of the animal must be prescribed by a licensed veterinarian and approved by the Chairman of that Species, Superintendent, and Extension Agent. Administration of all medications must, at all times, be done in accordance with the specification and/or instructions given in the prescription or directions and be administered in the presence of the Chairman of that species, Superintendent(s) and/or Extension Agent. Liability for the correct administration of the prescribed drug is the responsibility of the Exhibitor and Exhibitor's parent or legal guardian.

- Therapeutic treatments/practices such as including but not limited to chiropractic, massage therapy, electromagnetic therapy, cold laser therapy, PEMF/Bemer are allowed up to show time.
- Behavior supplements for safety may be used. You MUST notify division chairman at check in and/or BEFORE use should the need arise.
- All therapeutic treatments/practices and use of supplements for behavior **MUST** be done in the barn during normal barn hours, i.e. not at midnight when no one else is in the barn. Barn hours are 9:00 am to 9:00 pm.
- Use of a cold wet towel is allowed.
- Drenches will only be allowed that are formulated by an animal nutrition company/business and labeled for that particular species. It must be administered by a drench gun. No pumping allowed.

All exhibitors will be required to sign off at the check in times for each species to disclose if they have or intend to use any medications, herbal supplements and/or therapeutic treatment/practices and that you are aware of the rules and expectations surrounding these issues.

Violations. Any violation of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the Exhibitor or organized groups the Exhibitor represents, and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action of the livestock show committee will be final. Such action will require application for readmission under such terms as the committee may prescribe before the group or individual is allowed to exhibit at future shows. The MontanaFair Livestock Committee reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above code of ethics. Consequences for misconduct may be serious and have a lasting effect. We have the right to have any animal removed from MontanaFair. The Livestock Show Committee will consist of 4-H Extension Agent (Roni Baker), Department A Superintendent(s), the Livestock Committee and Sale Committee Presidents, and the Division Chairperson(s).

The decision of the official show veterinarian is final.
7. Lambs showing signs of continued rectal prolapse will be removed from the Show/MontanaFair immediately.
8. Eligible entries must weigh at least 110 pounds. If a market animal does not make weight, it will be sent home immediately. No Exceptions. 9. Market Lamb pictures will be taken on Saturday, August 9, 2025, from 5 pm-7 pm. Long pants are mandatory. No open toed shoes allowed. Bring your number. Each Exhibitor must have a picture taken with each lamb they entered. If no picture is taken, you will not show.
