
Reducing Academic Misconduct at MSU

Every college and university in the country is struggling with the alarming trend of the millennial generation to commit plagiarism and other forms of academic misconduct.

At MSU, we have strict policies against academic misconduct. However, our policies are only effective if they are understood and being followed by our faculty and instructors.

During this interactive workshop, we'll identify ways for faculty to reduce academic dishonesty in the classroom, strategies for what to do when faculty encounter acts of academic dishonesty, and techniques for managing how professors feel when a student commits academic dishonesty.

Panelists will include:

- **Matt Caires**, Dean of Students
- **Sue Monahan**, Associate Dean, College of Letters & Science
- *And other special guests TBA*
