

# Poster Session Information

Poster boards and pins will be provided by Montana State University. The dimensions of the poster boards are 4' wide by 6' high. The session will be limited to 50 posters. Posters must be set up by participants prior to 8:00am on May 18, 2023, in Inspiration Hall.

## **How to request to display a poster:**

Please answer “yes” to the registration question, “*would you like to present a poster in the poster session?*”

If more than 50 posters are requested, we will honor poster participation on a first come first serve basis, determined by registration submission. Once registration has closed, we will confirm your poster session participation.
